awarded

Our product companies

Oilfield Services

Lower cost per barrel over the life of field

Oilfield Equipment

Ultra-reliable technologies for the harshest environments

Turbomachinery & Process Solutions

Industry-leading availability and reliability

Digital Solutions

Peace of mind for the world's infrastructure

How we innovate

Industrial
innovation

Digital
innovation

New
technology
and ventures

- \$492M in research investment
- 17 global innovation centers
- 8 additive manufacturing centers
- >2,500 patents awarded in 2021
- ~\$250M in new energy orders

Leading the energy transition

We have committed to achieve net-zero carbon eq. emissions from operations by 2050 and are investing in new technologies to help customers reduce their emissions.

Low carbon energy solutions

Measurement and mitigation	Low to zero emissions solutions	Quantification and verification	Alternative energy services
			

Our opportunities and how to apply

Internships

Baker Hughes Interns work with our employees and leaders to solve some of our biggest challenges, helping us to bring smarter ways to bring energy to the world.

An internship at Baker Hughes is an opportunity to learn while doing. Collaborating on exciting projects, not only with talented peers, but with top leaders in your field – many of whom began as interns themselves.

We offer internships in the following functions:

- **Digital Technology**
- **Engineering/Technology**
- **Field Engineering**
- **Supply Chain, Manufacturing and HSE**
- **Finance**
- **Sales & Commercial**
- **Human Resources**

Interns need to meet the following minimum requirements:

- Current student pursuing a Master's in the discipline related to the internship
- Fluent in English (oral and written)
- Authorization to work full time in the country you apply (*We do not provide sponsorship or work permits to interns*)

Open Opportunities:

- R43048 University Internships – Engineering & Technology
- R43089 University Internships – Supply Chain & Manufacturing
- R43046 University Internships – Digital Technology
- R43074 University Internships – Data Science/AI
- R43091 University Internships – Business Support Functions
- R42956 University Internships – Finance
